

Guernsey Golf Union Junior Mission Statement

To provide high quality golf experiences for young people which attract and encourage juniors and provide an opportunity for development which results in increased participation in all forms of golf.

Key principles

It is important to provide a positive environment by ensuring junior golfers have opportunities to:

- Have fun experiences
- Experience skill development, challenges, and the joy of achievement.
- Follow clear pathways for participation and improvement.
- Experience equality of opportunity for all.

In principle the GGU aims to create a golfing environment that provide a positive experience that leads to greater golfing participation.
